Awakening
Activate your power within, achieve inner peace, remain centered and calm in times of uncertainty, and transcend limiting thought patterns.

Details and Cost

Virtual Program

Engage in your own personal process of discovery and awakening through the guided exploration of expanded awareness.

Journey easily into expanded states of consciousness supported by powerful audio technology. Shift to a deeply peaceful state as you experience the benefits in the very first guided exercise.

Experience a greater overview of your life. Connect with your true essence, and consciously experience your expansive nonphysical Self. Heighten your awareness and perception as you learn to access your untapped inner-guidance to realize a more meaningful and fulfilling life.

Gain clarity about your life purpose. From a heightened vantage point, recognize limiting patterns in your life and create new ones. Bring into reality the life you desire.

Learn how to quickly and easily achieve these expanded states on your own after the workshop to maximize the benefits of this practical and empowering workshop in your everyday life.

How it works

1. The workshop is offered in different formats, and the number and length of workshop sessions may vary.
2. It is recommended that you have access to a minimum internet speed of 5 Mbps
3. This online workshop is highly experiential and offers real-time interaction with a skilled trainer and other participants. Most Awakening programs will be either two consecutive half days or a single day.
4. Share your experiences and learn from others in this interactive online course.

Course Materials

The workshop fee includes a detailed manual and eight hours of facilitated instruction. The fee does NOT include the audio exercises. Your Trainer will provide you with details on how to buy the Inner States album.
